Community Residential Care Facilities
(CRCFs)

Rudnick CRCF

Sanders CRCF

Tri-Development Center operates two Community Residential Care Facilities, Rudnick CRCF and Sanders CRCF, located at 629 and 625 Chesterfield Street in Aiken, SC. The Rudnick CRCF was named after Herb Rudnick, a former Commission Member of the S.C. Department of Disabilities and Special Needs. The Sanders CRCF was named after Dorothy Sanders, the former Director of the Child Development Program, which was a forerunner of Tri-Development Center. Both of these individuals were early local advocates for the development of services for people with disabilities and special needs. At Sanders CRCF, services are provided to eight women; and at Rudnick CRCF services are offered to eight men. Many of these individuals are eager to make new friends and develop new interests.
